October 6, 2025

Dear Ron Laboray,

It is our great pleasure to officially invite you to participate as an artist in the National Pavilion of the Republic of Nauru at the 61st International Art Exhibition – La Biennale di Venezia 2026. The Pavilion is commissioned by the Government of Nauru, under the Minister for National Heritage, Culture, Tourism, and the Naoero Museum, and curated by the officially appointed curatorial team led by Mr. Khaled Ramadan (Chief Curator), with Mr. Stefano Cagol and Ms. Camilla Boemio serving as Associate Curators, and Mr. Khaled Hafez as Artistic Advisor.

This marks the Republic of Nauru's first official participation in La Biennale di Venezia. The Pavilion will explore the theme of ecological urgency and the existential threat posed by rising sea levels, a subject of vital significance to Nauru and of global relevance.

The title of the pavilion project is AIM, Imagining Life After Land, and as a criterion of participation, we look forward to your contribution under this theme. Your artistic practice has been identified as a meaningful contribution, and we are pleased to include you among the invited artists.

Further details regarding the curatorial framework, logistics, and public programming - including an official publication and educational seminars - will be communicated in due course.

We look forward to collaborating with you on this project.

Best regards,  
The curatorial team
